A Message from Our Principal

Fern Creek High School has been a cornerstone of our community for more than 100 years. As a true community school with a rich tradition, we take pride in challenging every student to learn at high levels and prepare for their futures. Strong schools and strong communities go hand in hand. Our students benefit greatly when local businesses and community leaders are actively involved in their success. We are eager to build meaningful partnerships that support student learning—whether through career panels, mentorships, workplace experiences, or collaborative events that connect classroom learning to real opportunities. These partnerships help our students see purpose in their education and gain the skills and relationships they need to thrive. We would welcome the chance to host you for a tour of our school and explore how we can work together to support Fern Creek students. Please reach out if you are interested in connecting and learning more about the great work happening here.

Business Partner Spotlight

Vince McClendon, Lexi Hayes and Firehouse Subs have been wonderful partners to our culinary pathway. As part of this relationship, Firehouse Subs has hosted food demonstrations, hired FCHS

students and has started the "Fire Cadet Program," offering on-the-job training towards management or franchisement. They also sponsor our athletics programs and has provided food for several events.

Businesses interested in partnering should contact Sara Abell, sara.wilson-abell@jefferson.kyschools.us
